ABVP BANQUET ENTERTAINER—DAVE WERNER, POLITICAL SATIRIST & MUSICAL COMEDIAN

Like many of his classmates, Dave Werner took his Yale Law degree to a Washington, D.C. firm to launch his career... and to win the "Funniest Lawyer in Washington" contest at a local comedy club. In 1987, he went to work as a Senate staffer, and joined Washington's highly regarded musical satire troupe, the Capitol Steps. Since going solo in 1995, Dave has offered a humorous take on today's headlines mixed with musical impressions of George W. Bush, Al Gore, Bill Clinton and other political figures. Dave has appeared on the CBS Evening News, The Today Show, and PBS, and has been featured in The New York Times, The Wall Street Journal and The Washington Post. Make sure you don't miss this event!
