

This certifies that _____ attended the following sessions sponsored by the ABVP in Denver, CO, April 15-18, 2010.									
This form is provided for your records. The form may be used to verify CE requirements for license renewal. Please check the sessions that you attend and write the total in the statement certifying your attendance.									
THURSDAY, APRIL 15, 2010				Attended	Credit Hrs.	Continuing Education Approved By:			
ABVP/AAHA Pre-Symposium Seminar on PRISM Inventory Education.				<input type="checkbox"/>	4.0	American Board of Veterinary Practitioners			
FRIDAY, APRIL 16, 2010				Attended	Credit Hrs.	Attended			
Sunrise Session: Advancing Pet Wellness Through Prebiotics and Probiotics				<input type="checkbox"/>	1.0				
Cross Species: "Superbugs" - Understanding, Reacting To and Avoiding "R"				<input type="checkbox"/>	4.0				
Avian			Canine			Feline			
Diseases and Pathophysiology of the Avian Gastrointestinal Tract I	<input type="checkbox"/>	1.0	Diagnosis of Cranial Cruciate Disease	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions and Controversies - Applying Nutrition Principles I			
Diseases and Pathophysiology of the Avian Gastrointestinal Tract II	<input type="checkbox"/>	1.0	Tibial Tuberosity Advancement I: Theory and Procedure	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions and Controversies - Applying Nutrition Principles II			
The Avian Respiratory System: Anatomy, Physiology and Diseases	<input type="checkbox"/>	1.0	Tibial Tuberosity Advancement II: Theory and Procedure	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions and Controversies - Applying Nutrition Principles III			
Small Ruminant			Equine			Exotic Companion Mammals			
Gestational Disorders of Sheep and Goats	<input type="checkbox"/>	1.0	Equine Lameness: Evaluation and Diagnosis	<input type="checkbox"/>	1.0	Etiology and Physiology of Dental Disease in Elodont Species			
Coccidiosis in South American Camelids	<input type="checkbox"/>	1.0	Equine Lameness: Foot - Palmar Pastern and Corrective Shoeing I	<input type="checkbox"/>	1.0	Diagnosis of Dental Diseases in Elodont Species			
Camelid Brainteasers: Case Reports	<input type="checkbox"/>	1.0	Equine Lameness: Foot - Palmar Pastern and Corrective Shoeing II	<input type="checkbox"/>	1.0	Treatment of Dental Disease in Elodont Species			
Item Writing Workshop	<input type="checkbox"/>	1.5							
SATURDAY, APRIL 17, 2010				Attended	Credit Hrs.	Attended			
Avian/Reptile & Amphibian			Canine			Feline			
The Avian Respiratory System: Anatomy, Physiology and Diseases	<input type="checkbox"/>	1.0	The Lateral Suture Method for Cranial Cruciate Repair I	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions & Controversies - Evaluation of Products I			
Avian Hematology and Transfusion Medicine I	<input type="checkbox"/>	1.0	The Lateral Suture Method for Cranial Cruciate Repair II	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions & Controversies - Evaluation of Products II			

Avian Hematology and Transfusion Medicine II	<input type="checkbox"/>	1.0	Small Animal Applications of Radiosurgery	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions & Controversies - Evaluation of Products III	<input type="checkbox"/>	1.0
Amphibian Infectious Diseases I	<input type="checkbox"/>	1.0	Canine Vaccination: Update on the 2010 AAHA Vaccine Guidelines	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions & Controversies - Patient Assessment I	<input type="checkbox"/>	1.0
Amphibian Infectious Diseases II	<input type="checkbox"/>	1.0	Canine Vaccination: Current Issues and Controversies	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions & Controversies - Patient Assessment II	<input type="checkbox"/>	1.0
Reptile/Amphibian Nutrition	<input type="checkbox"/>	1.0	Canine Lyme Borreliosis: Diagnosis, Treatment, and Prevention	<input type="checkbox"/>	1.0	Pearls and Updates from the World of Feline Medicine	<input type="checkbox"/>	1.0
SATURDAY, APRIL 17, 2010 (cont.)	Attended	Credit Hrs.		Attended	Credit Hrs.		Attended	Credit Hrs.
Bovine			Equine			Exotic Companion Mammals		
Milk Microbiology for the Practitioner	<input type="checkbox"/>	1.0	Equine Lameness: Ultrasonography, Radiography, MRI I	<input type="checkbox"/>	1.0	Diagnosis and Treatment of Dental Abscess in Elodont Species	<input type="checkbox"/>	1.0
Mastitis Pathogens in the Dairy Heifer	<input type="checkbox"/>	1.0	Equine Lameness: Ultrasonography, Radiography, MRI II	<input type="checkbox"/>	1.0	Etiology, Physiology and Diagnosis of Dental Disease in Non-Elodont Species	<input type="checkbox"/>	1.0
Extra Label Drug Use (ELDU) in Dairy Cattle	<input type="checkbox"/>	1.0	Equine Lameness: Digital Sheath / Annular Ligament	<input type="checkbox"/>	1.0	Treatment of Dental Disease in Non-Elodont Species	<input type="checkbox"/>	1.0
Adding Beef Production Medicine to Your Lateral Practice Toolbox	<input type="checkbox"/>	1.0	Equine Lameness: Flexor Tendons	<input type="checkbox"/>	1.0	Respiratory Physiology and Diseases of Exotic Companion Mammals I	<input type="checkbox"/>	1.0
Marketing a Beef Cow/Calf Production Medicine Program I	<input type="checkbox"/>	1.0	Equine Lameness: Intrasynovial Therapy	<input type="checkbox"/>	1.0	Respiratory Physiology and Diseases of Exotic Companion Mammals II	<input type="checkbox"/>	1.0
Marketing a Beef Cow/Calf Production Medicine Program II	<input type="checkbox"/>	1.0	Equine Lameness: Stem Cell Therapy	<input type="checkbox"/>	1.0	Respiratory Physiology and Diseases of Exotic Companion Mammals III	<input type="checkbox"/>	1.0
SUNDAY, APRIL 18, 2010	Attended	Credit Hrs.		Attended	Credit Hrs.		Attended	Credit Hrs.
Reptile & Amphibian			Canine			Feline		
Reproductive Anatomy, Physiology & Disease of Reptiles and Amphibians	<input type="checkbox"/>	1.0	Canine Infectious Disease Update	<input type="checkbox"/>	1.0	Feline Nutrition: From Science to Practice, Questions and Controversies - Nutrient Modifications in the Diet I	<input type="checkbox"/>	1.0
