

This certifies that \_\_\_\_\_ attended the following sessions sponsored by the ABVP in St. Louis, Missouri, April 28- May 1, 2011.

This form is provided for your records. The form may be used to verify CE requirements for license renewal. **Please check the sessions that you attend and write the total in the statement certifying your attendance.**

**Continuing Education Approved By: American Board of Veterinary Practitioners**

<b>THURSDAY, APRIL 28, 2011</b>	<b>Attended</b>	<b>Credit</b>
WET LAB Rabbit Dentistry: Basics and Beyond, <i>Vittorio Capello &amp; Michael Dutton</i>	<input type="checkbox"/>	5.0
ABVP/AAHA Kick-Off Seminar Cross Species: Building TRUST, <i>Kathleen Bonvicini</i>	<input type="checkbox"/>	4.0
Canine Interactive Round Table, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0

<b>FRIDAY, APRIL 29, 2011</b>	<b>Attended</b>	<b>Credit</b>
Sunrise Session: Alternative Therapies for Managing Mobility, <i>Vicki Wilke</i>	<input type="checkbox"/>	1.0
Cross Species: Oil Spill: Oil Effects on Wildlife & General Medical Concerns, <i>Michael Ziccardi</i>	<input type="checkbox"/>	2.0
Cross Species: Practice Liability and Asset Management, <i>Larry Oxenham</i>	<input type="checkbox"/>	2.0

	<b>Attended</b>	<b>Credit</b>
<b>Avian</b>		
Avian Integument: A Clinical Review I, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Avian Integument: A Clinical Review II, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Avian Urogenital: A Clinical Review I, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Food Animal</b>		
Drivers of Growth and Economics in Mixed Animal Practice I, <i>Brad White</i>	<input type="checkbox"/>	1.0
Drivers of Growth and Economics in Mixed Animal Practice II, <i>Brad White</i>	<input type="checkbox"/>	1.0
Identifying Reproductive Losses in Cow-Calf Herds, <i>Brad White</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Reptile &amp; Amphibian</b>		
Herptile Parasitology, <i>Ryan De Voe</i>	<input type="checkbox"/>	1.0
Reptile Cardiovascular Anatomy and Physiology, <i>Ryan De Voe</i>	<input type="checkbox"/>	1.0
Insectivorous Reptile Nutrition and Diseases, <i>Ryan De Voe</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Feline</b>		
Diagnosis and Management of the Pruritic Cat in the Real World, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
Immune Mediated Skin Disease in the Cat, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
Otitis Externa and Media in the Cat, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
Item Writing Workshop	<input type="checkbox"/>	3.0

	<b>Attended</b>	<b>Credit</b>
<b>Canine</b>		
G.I. Motility Disorders: Pathogenesis, Diagnosis, and Therapy, <i>Robert Washabau</i>	<input type="checkbox"/>	1.0
Difficult Vomiting Disorders: Pathogenesis, Diagnosis, and Therapy, <i>Robert Washabau</i>	<input type="checkbox"/>	1.0
Canine Inflammatory Bowel Disease: The Eight Components of Therapy, <i>Robert Wasabau</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Equine</b>		
EHV - 1 Myelopathy and EPM, <i>Tommy Divers</i>	<input type="checkbox"/>	1.0
Anaplasmosis and Lyme Disease, <i>Tommy Divers</i>	<input type="checkbox"/>	1.0
Rhodococcus and Lawsonia, <i>Tommy Divers</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>AVTCP: Avian/Exotic</b>		
Exotic Small Mammal Anesthesia Techniques, <i>Jody Nugent-Deal</i>	<input type="checkbox"/>	1.0
Reptile Capture, Restraint, Physical Examination and Venipuncture Techniques, <i>Jody Nugent-Deal</i>	<input type="checkbox"/>	1.0
The ABC's of Dental Diseases in Rabbits, Guinea Pigs and Chinchillas, <i>Jody Nugent-Deal</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Exotic Companion Mammals</b>		
Diagnostic Imaging of ECM, <i>Vittorio Capello</i>	<input type="checkbox"/>	1.0
Diseases of Eye and Ear I, <i>Joerg Mayer</i>	<input type="checkbox"/>	1.0
Diseases of Eye and Ear II, <i>Joerg Mayer</i>	<input type="checkbox"/>	1.0
Diseases of Eye and Ear III, <i>Joerg Mayer</i>	<input type="checkbox"/>	1.0

**SATURDAY, APRIL 30, 2011**

	Attended	Credit
<b>Avian</b>		
Avian Urogenital: A Clinical Review II, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Case Based Avian Clinical Imaging I, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Case Based Avian Clinical Imaging II, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Case Based Avian Clinical Pathology I, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Case Based Avian Clinical Pathology II, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
Beyond Parrots: Clinically Relevant Husbandry of Galliformes, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Food Animal</b>		
Managing Reproductive Losses in Cow-Calf Herds, <i>Brad White</i>	<input type="checkbox"/>	1.0
Population Management of Respiratory Disease in Feeder Calves, <i>Brad White</i>	<input type="checkbox"/>	1.0
What's New in Feeder Calf Preconditioning Programs, <i>Brad White</i>	<input type="checkbox"/>	1.0
Case Presentation in Cattle I, <i>Marjorie Gill</i>	<input type="checkbox"/>	1.0
Case Presentation in Cattle II, <i>Marjorie Gill</i>	<input type="checkbox"/>	1.0
Analgesia, Anesthesia, and Routine Surgeries in Cattle, <i>Marjorie Gill</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Reptile &amp; Amphibian</b>		
The Mechanics of Snake Reproduction, <i>Ryan De Voe</i>	<input type="checkbox"/>	1.0
Reproductive Diseases of Squamate Reptiles, <i>Ryan De Voe</i>	<input type="checkbox"/>	1.0
Amphibian Husbandry, <i>Ryan De Voe</i>	<input type="checkbox"/>	1.0
Reptile Hematology: Sample Collection, <i>Jill Heatley</i>	<input type="checkbox"/>	1.0
Reptile Hematology: CBC Comparative, <i>Jill Heatley</i>	<input type="checkbox"/>	1.0
Reptile Hematology: Biochem Comparative, <i>Jill Heatley</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Feline</b>		
Infectious Causes of Diarrhea in the Cat: An Overview, <i>Julia Veir</i>	<input type="checkbox"/>	1.0
Mycoplasmal Disease in Cats, <i>Julia Veir</i>	<input type="checkbox"/>	1.0
Viral Infections in Cats: An update on FeLV, FIV and Influenza, <i>Julia Veir</i>	<input type="checkbox"/>	1.0

*Continues on next page...*

	Attended	Credit
<b>Canine</b>		
Canine Hepatic Disease: From Diagnosis to Therapy, <i>Robert Washabau</i>	<input type="checkbox"/>	1.0
What's New in the Diagnosis and Management of Canine Atopic Dermatitis I, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
What's New in the Diagnosis and Management of Canine Atopic Dermatitis II, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
New Ideas in Canine Pyoderma I, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
New Ideas in Canine Pyoderma II, <i>Paul Bloom</i>	<input type="checkbox"/>	1.0
Pain Neurobiology and Current Practices, <i>Mark Epstein</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Equine</b>		
Clostridium Difficile and Potomac Horse Fever, <i>Tommy Divers</i>	<input type="checkbox"/>	1.0
Leptospirosis and Actinobacillus, <i>Tommy Divers</i>	<input type="checkbox"/>	1.0
MRSA and EHV-5, <i>Tommy Divers</i>	<input type="checkbox"/>	1.0
Obesity, Insulin Resistance, and Pasture Associated Laminitis, <i>Robert Pleasant</i>	<input type="checkbox"/>	1.0
Dietary Management of Obesity and Insulin Resistance, <i>Robert Pleasant</i>	<input type="checkbox"/>	1.0
Strategies for Management of Acute Laminitis, <i>Robert Pleasant</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>AVTCP: Canine/Feline</b>		
Analgesia and Pain Management I, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Analgesia and Pain Management II, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Advanced Radiology Techniques, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Supplemental Nutrition, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Introduction to Physical Therapy and Rehabilitation, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Novel Surgery Equipment, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Exotic Companion Mammals</b>		
Orthopedic Diseases of ECM I, <i>Vittorio Capello</i>	<input type="checkbox"/>	1.0
Orthopedic Diseases of ECM II, <i>Vittorio Capello</i>	<input type="checkbox"/>	1.0
Orthopedic Diseases of ECM III, <i>Vittorio Capello</i>	<input type="checkbox"/>	1.0

*Continues on next page...*

Infectious Cause of Anemia in Cats, <i>Julia Veir</i>	<input type="checkbox"/>	1.0
Treatment Options for Feline Diabetes: What's the Evidence?, <i>Thomas Graves</i>	<input type="checkbox"/>	1.0
When Insulin Therapy is Not Working: Is it the Insulin or is it the Cat?, <i>Thomas Graves</i>	<input type="checkbox"/>	1.0

Dermatologic Diseases of ECM I, <i>Joerg Mayer</i>	<input type="checkbox"/>	1.0
Dermatologic Diseases of ECM II, <i>Joerg Mayer</i>	<input type="checkbox"/>	1.0
Dermatologic Diseases of ECM III, <i>Joerg Mayer</i>	<input type="checkbox"/>	1.0

**SUNDAY, MAY 1, 2011**

	Attended	Credit
<b>Avian</b>		
Beyond Parrots: Clinically Relevant Husbandry of Anseriformes, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
What's New in Avian Anesthesia and Analgesia I, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
What's New in Avian Anesthesia and Analgesia II, <i>Matthew Johnston</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Food Animal</b>		
Medical Conditions in Small Ruminants I, <i>Marjorie Gill</i>	<input type="checkbox"/>	1.0
Medical Conditions in Small Ruminants II, <i>Marjorie Gill</i>	<input type="checkbox"/>	1.0
Surgical Conditions in Small Ruminants, <i>Marjorie Gill</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Reptile &amp; Amphibian</b>		
Reptile Emergency Critical Care I, <i>Jill Heatley</i>	<input type="checkbox"/>	1.0
Reptile Emergency Critical Care II, <i>Jill Heatley</i>	<input type="checkbox"/>	1.0
Chelonian Shell Repair, <i>Jill Heatley</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Feline</b>		
Hypertension and Hyperthyroidism, <i>Thomas Graves</i>	<input type="checkbox"/>	1.0
Glands Behaving Badly I, <i>Thomas Graves</i>	<input type="checkbox"/>	1.0
Glands Behaving Badly II, <i>Thomas Graves</i>	<input type="checkbox"/>	1.0

	Attended	Credit
<b>Canine</b>		
Adjunctive Pain Meds: The Good. The Bad. The Evidence., <i>Mark Epstein</i>	<input type="checkbox"/>	1.0
Locoregional Anesthesia: Back to the Future, <i>Mark Epstein</i>	<input type="checkbox"/>	1.0
Emerging and Future Pain Management Modalities, <i>Mark Epstein</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Equine</b>		
Strategies for Management of Chronic Laminitis, <i>Robert Pleasant</i>	<input type="checkbox"/>	1.0
Management of Hoof Wall Cracks & Defects in Performance Horses, <i>Robert Pleasant</i>	<input type="checkbox"/>	1.0
Management of Foot and Limb Problems in Foals, <i>Robert Pleasant</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>AVTCP: Production Mammal</b>		
Beef Cattle Genetics for 2011 and Beyond, <i>Mark Hilton</i>	<input type="checkbox"/>	1.0
Castration of Beef Calves: What Does the Science Say About Timing and Technique?, <i>Mark Hilton</i>	<input type="checkbox"/>	1.0
Selection and Development of Replacement Heifers, <i>Mark Hilton</i>	<input type="checkbox"/>	1.0
	<b>Attended</b>	<b>Credit</b>
<b>Exotic Companion Mammals</b>		
Diseases of the Urogenital Tract of ECM I, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Diseases of the Urogenital Tract of ECM II, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0
Diseases of the Urogenital Tract of ECM III, <i>Michael Dutton</i>	<input type="checkbox"/>	1.0

I certify that I have attended the session(s) checked above which qualify for a total of \_\_\_\_\_ continuing education hours.
