About

Resources

The American Board of Veterinary Practitioners is committed to the wellbeing of animals and those who care for them, and as such will not stay silent as people suffer due to systemic racism, sexism and other prejudices. Let us be clear, just as our veterinary oath applies to all species, our commitment is to all people regardless of race, religion, gender, sexuality or identity.

## The Standard of Excellence in Veterinary Care

Veterinarians who are ABVP Certified have proven  
knowledge and expertise above and beyond what is
