I. Eligibility Requirements

- A. All ABVP diplomates are **required** to maintain certification every 10 years. If you fail to complete maintenance of certification, you forfeit your ABVP status and can no longer claim to be ABVP-certified.
- B. You are responsible for being aware of, and keeping track of, your eligibility status and submitting an application at the appropriate time. Extensions will not be granted for claims of lack of notification.
- C. This is mandated by the AVMA American Board of Veterinary Specialties, and no exceptions will be made.
- D. No Time-Stamped Certification.
 1. Should an ABVP diplomate allow their certification to expire, they are required to remove the diplomate title from any and all marketing and business materials immediately. They can no longer claim or reference current or previous ABVP certifications.
 2. No time stamping of status in the use of the title is allowed, i.e. DABVP (Feline 2010-2020) is not allowed and considered unethical.
 3. The use of the title must be discontinued even if one is planning to re-enter the examination process as a candidate by sitting for the exam. Only once the exam is successfully passed, and ABVP certification has been restored, may the diplomate title be returned to all marketing and business materials.
 4. If certification has expired and a diplomate does not remove their specialty title, ABVP may report a diplomate to the AVMA Judicial Council and the appropriate licensing board(s).
- E. Certificate Ownership, Repossession, and Withdrawal of Privileges.
 1. Certificates shall remain the property of the ABVP and shall be repossessed when:
 - a) The issuance of such a certificate or its receipt violated provision of the ABVP by-laws.

- b) The diplomate is guilty of unethical conduct as determined by the ABVP.
 - 2. Withdrawal of privileges.
 - a) Diplomates acting as representatives of ABVP do so as a privilege granted by the Board of Directors and Advisory Council. The BOD/AC may revoke any of these privileges at any time for failure to represent the best interest of the RVSO. If investigation reveals evidence warranting action, the individual will also be notified in writing and given full opportunity to respond in writing and through a hearing before the BOD/AC.
 - b) In the event of revocation of certification and withdrawal of privileges, the individual possessing the certificate in question shall return the certificate upon written demand by the BOD/AC.
 - 3. Non-compliance within 30 days of written notice shall be just cause for legal action as deemed necessary by the BOD/AC for repossession of the certificate in question.
- F. Notification of Results
- 1. MOC is an ongoing process. Once initial certification is granted, or MOC is achieved, begin submitting materials for the next cycle.
 - 2. It may take up to four (4) months for the Vice Chairs to review MOC applications and materials submitted. You will be notified of results, via email. No results will be given over the phone. Please plan accordingly for uploading materials prior to your expiration date.
- G. Appeals Process for MOC and Examination.
- 1. If you believe you have been adversely affected by an ABVP decision, you may petition for reconsideration only on the grounds that the decision:
 - a) Disregarded the established criteria for certification or approval,
 - b) Failed to follow ABVP's stated procedures,
 - c) Failed to consider relevant evidence and documentation

presented.

2. You may appeal via email to the ABVP Executive Director (info@abvp.com) within 30 days after the announcement of the initial decision. The appeal must include a statement of the grounds of review and documentation in support of the appeal. The ABVP Appeals Committee will consider the appeal letter, documentation, and the recommendation of the MOC Committee, Examination Committee, and/or Credentials Committee.
3. A final decision will be made within 150 days of receipt of appeal. In each case, email notification will be sent to the petitioner. No appeals decisions will be given over the phone.
4. Appeals may be withdrawn up to 90 days after submission of the appeal should the petitioner make the request to the ABVP Executive Director.

H. Ethical Considerations.

1. ABVP applicants, candidates, residents, and diplomates are held to high ethical standards. If ABVP receives a complaint or is otherwise informed of a potential ethical breach regarding an ABVP applicant, candidate, resident, or diplomate, this information will be reviewed by the Executive Director and Board of Directors.
2. Complaints against an ABVP applicant, candidate, resident or diplomate may be submitted to the Executive Director by telephone, email, or mail.

II. Use of Specialty Title

- A. Diplomates of the American Board of Veterinary Practitioners are strongly encouraged to use their title accurately and consistently. Incorrect spelling, formatting, or misleading use reflects poorly on professionalism. It is unethical for veterinarians to identify themselves as members of an AVMA-recognized veterinary specialty organization if such certification has not been awarded.
- B. Diplomates follow the ABVP guidelines for using their title for listing in directories, advertising, stationery, signage, websites, *et cetera*. Current

guidelines are available on the ABVP website or by contacting the ABVP office. Failure to follow these guidelines is considered an ethical violation.

- C. Should an ABVP diplomate allow certification to expire, the diplomate title must be removed immediately from all marketing and business materials, and that person can no longer claim ABVP certification. The title must be removed even if one is planning to re-enter the examination process as a candidate by sitting for both the specialty and practical exam. Only once all sections of the exam are successfully passed, and ABVP certification has been restored, may the diplomate title be returned to all marketing and business materials.
 1. A diplomate who has allowed certification to expire does not pay diplomate fees while attempting to regain certification by taking both the specialty and practical exam unless past fees are owed. If past diplomate fees are owed, the diplomate must pay them before being allowed to sit for the examinations to regain certification.
 2. If certification has expired and a diplomate does not remove their specialty title, ABVP may report a diplomate to the AVMA Judicial Council and/or the appropriate state licensing board(s).

III. Maintenance of Certification Pathway

- A. Diplomates are required to maintain certification through the accumulation of points.
- B. There is no extension given if points are not accumulated by the end of year 10. If the diplomate has not fulfilled the requirements by year 10, diplomate status will be revoked, and all claims and references to board-certification must be removed from any and all business and marketing material, even if the former diplomate intended to recertify. In order to recertify, it is required to pass the exam in year 11, 12, or 13 to regain status. Only after the exam is passed and notification received may claim of diplomate status be used. (See section on Eligibility and Use of Specialty Title.)
- C. The points method has been developed to be consistent with ABVP's core values.

- D. Diplomates Must Meet Four (4) Requirements Every 10 Years To Maintain Certification: Continuing Education, Journal Club, Additional Points (specified below), and valid license to practice.

IV. Four (4) Requirements Every 10 Years To Maintain Certification.

A. Required Continuing Education: 250 hours over the 10 year period.

1. Diplomates should average 25 hours of continuing education hours per year to meet this requirement at the end of 10 years.
2. Applicants must have a minimum of 165 hours within the RVS (66% of 250 total). The remaining 85 points may be in any category.
3. Lectures in the “Cross species track” at the ABVP Symposium are accepted for RVS hours.
4. CE certificates must be uploaded.
 - a) Multiple day conferences must be entered using the date that the conference began and the name and year of the conference in the description.
 - b) A list of lectures attended, with speaker and CE credits included, should be uploaded with the CE certificate. You are able to upload multiple documents in the same application.
 - c) If both RVS and NON-RVS lectures were attended at the same conference:
 - a. Upload a copy of the same CE certificate in separate Prolydian requests for RVS-specific and NON-RVS MOC points applications
 - b. Upload a list of lectures and points being requested.
 - c. Clearly note which lectures are RVS and which are NON-RVS within the list of lectures and speakers.
 - d) For quantity, you must type, not use up/down arrows, to enter the exact amount of CE hours. Do not round.
5. CE hours may be audited. Retain proof of CE until after MOC is complete

and final confirmation is received. Proof should be available in the form of official attendance certificates and include itemized lecture lists with hours attended as appropriate.

B. Additional Points: 250 points by any of the specified methods in this section over the 10 year period.

1. ABVP Volunteerism: 25 points/committee/year.
 - a) You may earn 25 points per committee per year for active service in an official ABVP committee or position.
 - b) Duties may vary and will be established by the committee chair or vice chair. Complete the ABVP "[I want to volunteer!](#)" Form if you are interested in volunteering.
 - c) All Committee Chairs are responsible for submitting a list of the names and emails of their volunteers to the MOC Chair annually for point credit. The list is due June 30 for the preceding volunteer year (July 1 - June 30).
 - d) The volunteer year is from July 1 of one year to June 30 of the following year. Diplomates who have volunteered will receive an email from the MOC Chair, once all the Committee Chairs submit the lists at the end of the volunteer year.
 - e) Application for MOC Point may be submitted via Prolydian by the diplomate once the diplomate receives confirmation of participation (attach a screenshot of the email from the MOC Chair). They will be verified with the MOC Committee Vice Chairs.
2. ABVP Symposium attendance: 25 points per year.
 - a) These points are in addition to any points submitted for actual lectures attended.
 - b) Attendance will be confirmed by uploading the certificate.
3. Publication in peer reviewed journals: 25 points per publication.
 - a) Topic must be in your RVS.

- b) First authorship is not required.
 - c) Guidelines are acceptable if published in a peer reviewed journal.
 - d) Letters to the editor are not acceptable.
 - e) Book chapters are not acceptable.
4. Lectures given to veterinarians/veterinary students or veterinary technicians/technician students: 25 points per year.
- a) 1 Lecture = 25 points.
 - b) Lectures must be in your RVS.
 - c) Lectures to non-medical audiences such as breeders, farriers, etc., are not acceptable.
 - d) Documentation of the lecture must be uploaded (certificate from organizing body, official class syllabus, etc.). Do not upload PowerPoints.
 - e) The same lecture may not be submitted every year for 10 years, but new lectures or substantially different lectures, may be submitted in subsequent years for a total of 250 points over a 10 year period.
5. Continuing Education: 2 MOC points per CE hour over the 250 Required Continuing Education points.
- a) Do NOT upload here until the "Required CE" requirements are met! The system does not automatically do this for you. Look at the points bar.
 - b) There is no limit to additional hours submitted.
 - c) Extra hours can be in any RVS.
 - d) Follow the instructions for how to upload documentation as described previously in this document.
6. Successfully mentored ABVP applicant: 125 points.
- a) The ABVP encourages mentoring of those going through the certification process.

- b) The mentee can only identify one diplomate as their mentor.
Points cannot be split between more than one (1) mentor.
 - c) For the diplomate to obtain volunteer points for mentoring, the mentee (after successfully passing the exam and becoming a diplomate) must fill out this form: [Identify My Mentor](#). Contact info@abvp.com or MOCchair@abvp.com with any questions.
 - d) Once the mentee (new diplomate) identifies their mentor and the MOC Committee verifies standing, the mentor will receive an email to upload to Prolydian with the points application.
7. Second specialty board certification: 75 points.
- a) This applies only to new board certification.
 - b) Specialty boards are those recognized by the AVMA.
 - c) Contact the Chair if you need information on points for PhD.
8. Passing the exam in year 8, 9, or 10: 250 points.
- a) Passing the exam in one of these years ONLY provides points.
 - b) The other requirements MUST still be met to MOC by points (e.g. continuing education, journal club, etc.).
9. Carry-Over Points Diplomates may “carry-over” up to 50 points into the next cycle. Refer to the MOC Webpage or contact the MOC Chair or your RVS Vice Chair for additional information.
- C. Complete an average of four (4) of six (6) journal articles per year, or 66% of presented journal articles over the 10 year MOC period.**
- 1. Six (6) articles will be presented each year.
 - 2. Each article will have a corresponding quiz with at least five (5) questions.
 - 3. A score of 80% is required to receive credit.
 - 4. Diplomates may take the quiz up to three (3) times.
 - 5. Diplomates will receive emails notifying them of available articles. It remains the responsibility of the diplomate, however, to check for new journal articles which can be done by accessing your RVS Journal Club

webpage.

6. Articles and quizzes will expire 12 months after original posting and will no longer be available for credit.
7. Follow the instructions carefully on the quiz. Each diplomate is required to enter their successful Journal Club completion in the MOC portal (Prolydian). You must save a screenshot of your score or proof of passing. You will then upload this screenshot when entering the application in the portal.
 - a) The MOC portal will display 0.01 points for each Journal Club entry.
 - b) These are counted separately from the 500 points required to complete Maintenance of Certification.
 - c) When entering “name” in the Prolydian portal, indicate Month and Year of the quiz to aid in tracking.
8. Contact info@abvp.com to join the Journal Club Slack discussion board or Google Group Listserv (optional). Participation in Journal Club Slack discussions is strongly encouraged to foster collaboration between ABVP diplomates.

D. Upload a valid, current veterinary license.

1. If the diplomate is not required to maintain a valid license for current employment, documentation attesting to this is required.
 2. The license will be uploaded after all other points requirements have been met and the applicant starts the renewal and payment process.
 3. This can only be done in year 9 or 10.
- V. If all requirements have been met by year 9, diplomates may submit for Maintenance of Certification in year 9.
- VI. Maintenance of Certification Portal
- A. Submission and logging of maintenance of certification items will be done via an online portal. You may enter items at any point during the 10 year MOC period. It

is strongly encouraged to enter items as they are completed. Do not wait to upload all items in your final year! Uploading items in real time will allow your RVS MOC Committee to monitor your progress and help ensure your MOC success.

- B. See the Appendix for details on data entry.
- C. On your MOC portal “Dashboard,” click “Credentials” then “My Certifications.”
 - 1. Click on “Apply for CEC Credits.” (CEC Credits = MOC Points)
 - 2. Enter the date of the activity.
 - 3. Click “I want to enter the details of the activity,” unless you have a pre-approval code.
 - 4. Choose 1 of 3 Categories.
 - a) Additional MOC Points.
 - b) Journal Club.
 - c) Required CE Hours per 10 year MOC cycle.
 - 5. Read the section instructions carefully.
 - 6. Choose the Activity in the pull down menu.
 - 7. Enter a Name for the Activity. Please be sure to name the Activity clearly and as directed. Incorrect labeling may result in delays or the items not being reviewed.
 - 8. Enter the Activity units. (Do not use up/down arrows. Type exact number, e.g. 1.5)
 - 9. Attach and upload all necessary documentation at the end and click “Submit.”
- VII. You may be contacted by your RVS MOC Committee Vice Chair after year five (5), if you have not begun the process of uploading your documents. By uploading your information in a timely fashion, the MOC Committee can help ensure that you are on track to successfully achieve your Maintenance of Certification.
- VIII. Fees, Deadlines, and Links
 - A. Payment must be submitted once during a 10 year certification period, after you

have accumulated the required points in all categories.

1. Checks and credit cards are accepted, and all funds must be in U.S. dollars from U.S. banks.
 2. All fees are subject to change without prior notice.
- B. Deadline For Point Accumulation: July 15 of the year of expiration.
1. Although your certificate expires in December, the deadline for MOC Points submission being complete is July 15th.
 - a) For example, if your expiration date is 12/30/2024, then your material needs to be uploaded by 7/15/2024.
 - b) If deficiencies are found by your RVS Vice Chair, this will allow time to attempt to correct this deficiency before your certification expires.
 2. The previous deadline was January 15 of the year of expiration, so this gives an additional six (6) months.
 3. It is STRONGLY recommended that you upload continuing education and journal club quiz results every year to allow time for VCs to review applications and identify deficiency before expiration.
- C. Deadline for Examination Registration: September 1
1. Note: This is no longer an option as the ONLY method to maintain certification. Passing the exam will count as 250 points in the Additional MOC Points Category. In order to successfully complete Maintenance of Certification, the diplomate will still need to have the other parts completed (Required CE, Journal Club, and license, as detailed previously in this document).
 2. While allowable, do not wait until year 10 to take the exam for points, since the deadline for points in year 10 is July 15 and the examination is given after that date.
