

How to find your "in progress" and "needs information" applications.

The screenshot shows the Prolydian dashboard with the following elements:

- Header:** Prolydian logo, "Dashboard > My application status", and a help icon.
- Left Sidebar:** "Dashboard", "Applications", "My applications" (circled in red with a red '1'), and "Credentials".
- Main Content Area:**
 - "Apply now" button (crossed out).
 - "Application statuses" dropdown menu (circled in red with a red '3') showing "In progress, Under review".
 - "Application purpose" dropdown menu showing "-- All --".
 - "Application forms" dropdown menu showing "Nothing selected".
 - "Search" button (circled in red with a red '4').
 - Search bar with a funnel icon (circled in red with a red '2') and "Clear search" button.
 - "20 Records found" indicator.
 - Navigation buttons: back, page 1, page 2, refresh, forward.
 - View toggle: grid and list views.
 - "Items per page" dropdown.
- Table:**

TITLE	STARTED ON	STATUS	SUBMITTED ON
MOC - NAVC JAnuary 2016 (2016-01-16)	March 13, 2023	In progress	-

Click on "My Applications" (1)
Click the little funnel image (2),
Choose (3) "In progress" (started but not submitted) and/or "Under review" (submitted and awaiting approval),
Click Search (4) to sort by application status.
