

FOR IMMEDIATE RELEASE

ABVP VETERINARIAN MAINTAINS CERTIFICATION IN (practice category) PRACTICE

GAINESVILLE, FL -- (Your name), a veterinarian from (Your town), has successfully maintained certification as a Diplomate of the American Board of Veterinary Practitioners (ABVP) specializing in (practice category) Practice.

ABVP requires Diplomates to maintain certification every ten years. This process demonstrates that Diplomates have kept up with changes and advancements in veterinary practice. ABVP is unique among veterinary specialties in that certification expires every ten years. Diplomates must take and pass a challenging examination or accumulate credits for continuing education and other professional activities in order to maintain certification.

Dr. (Last Name) is a graduate of the (College of Veterinary Medicine). He/she has practiced at (Name of Practice) located at (Address) for (insert number) years. Dr. (Last Name) became a Diplomate of the ABVP in (insert year).

The American Board of Veterinary Practitioners was established in 1978. It is one of twenty-two veterinary specialty groups accredited by a special committee of the American Board of Veterinary Specialties, a division of the American Veterinary Medical Association, to recognize excellence in clinical practice through the certification of species-oriented specialists. Over 900 veterinarians worldwide are certified in one of ABVP's eleven practice categories: Avian, Beef Cattle, Canine and Feline, Dairy, Equine, Exotic Companion Mammal, Feline, Food Animal, Reptile and Amphibian, Shelter Medicine, and Swine Health Management. For more information about ABVP, please visit www.abvp.com.
